1. Prerequisite

1.1 Permission (For RPI Department Colleagues)

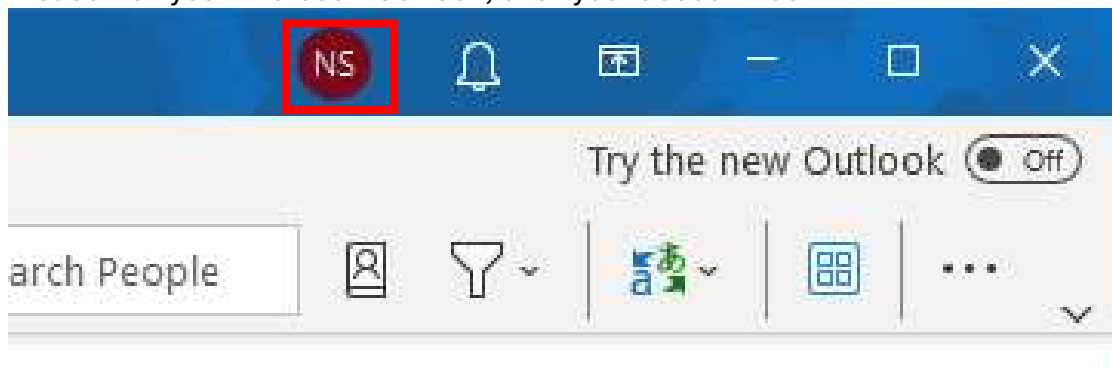

If you are non RPI colleague, you can start from step [1.1 Permission \(For non-RPI Colleagues\)](#). If you are RPI colleague, begin with “[Authorized Employee](#)” (Ctrl + click to follow the link) portal to verify if your information is included in the authorized employee directory. If you are listed, a single record containing your details will be displayed.

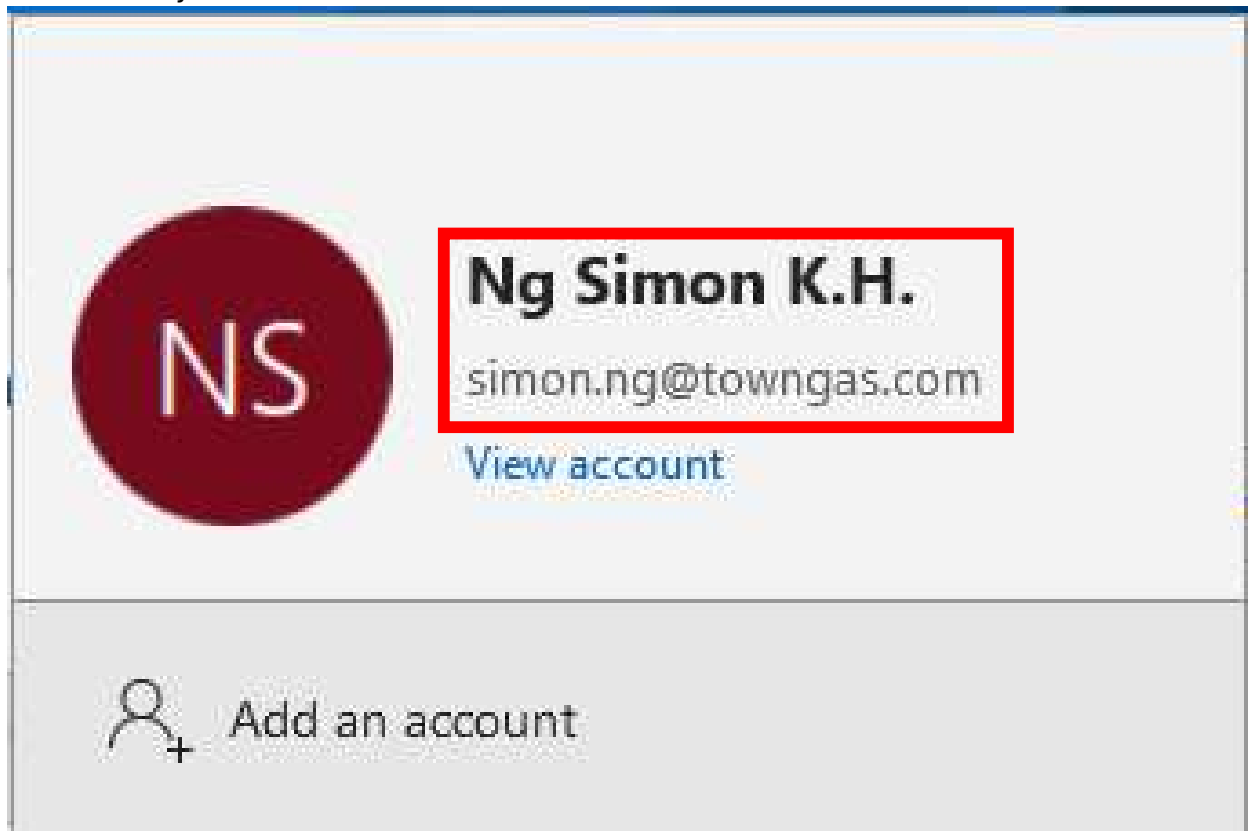

Employee Name	Email
Ng Simon K.H.	simon.ng@towngas.com
Yeung Benjamin T.F.	yeung.tf@towngas.com

If your record is not found in the Authorized Employee Directory, please follow the steps below to obtain authorization:

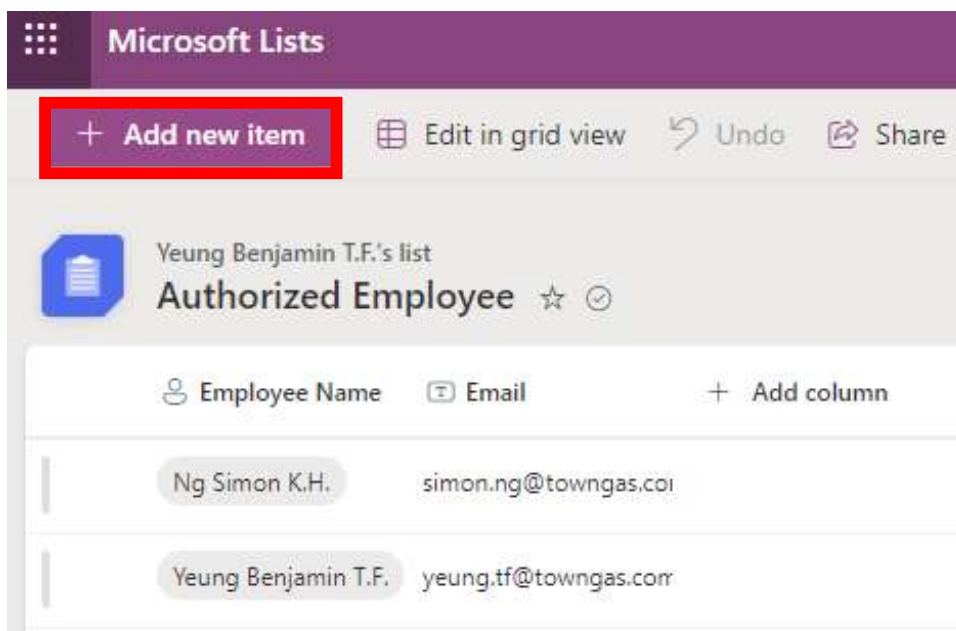

- A. Please visit your Microsoft Outlook, click your account icon.

B. Jot down your name and email address

C. Back to “[Authorized Employee](#)” (Ctrl + click to follow the link) and click the “Add New Item” button located in the top-left corner.

D. Enter your name, email, and click Save. E.g. Ng Simon K.H and simon.ng@towngas.com according to the name and email you jotted in step B.

The screenshot shows a web form with the following elements:

- Title:** A text input field with a placeholder "Enter value here".
- Employee Name:** A text input field with a placeholder "Enter a name or email address".
- Email:** A text input field with a placeholder "Enter value here".
- Attachments:** A section with a label "Attachments" and a button "Add attachments".
- Buttons:** Two buttons at the bottom: "Save" (highlighted with a red border) and "Cancel".

1.1 Permission (For non-PRI Colleagues)

Please email to simon.ng@towngas.com with the template below to request permission.

“

Dear Simon,

Please grant me access to the RPI Customer Survey Management System. My name and email are [e.g. Chan Tai Man Jason] and [e.g. jason.chan@towngas.com].

Best regards,

[Jason Chan]

“

1.2 Prepare Client Information File

You need to prepare an .xlsx file in excel which stored the Client PIC, Company Name, Construction Site Location, Email and Survey Log Number in advance. Please check “[Client's Info Testset.xlsx](#)” (Ctrl + click to follow the link) for references.

Ensure that the file name follows the format Client_Info_[Date].xlsx, for example, Client_Info_20250721.xlsx. To avoid reusing file names, append a version number, such as v1 or v2, if necessary, e.g., Client_Info_20250721_v1.xlsx.

1.3 PowerApps

Please visit [RPI Customer Survey](#) (Ctrl + click to follow this link) to use the RPI Customer Survey Management System.

2. Home Page

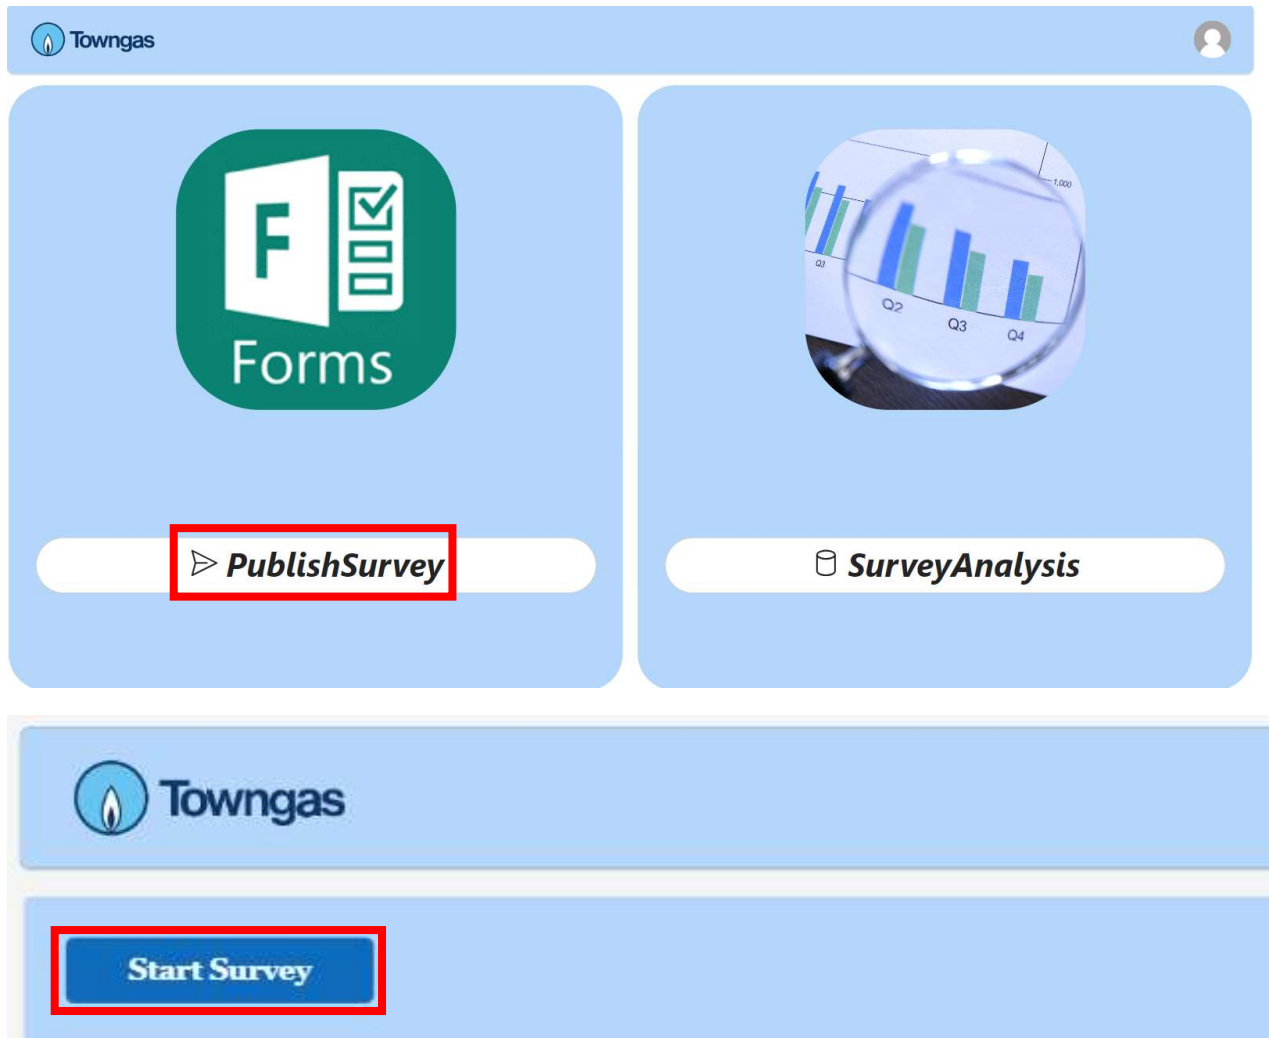

The home page contains two main functions – Publish Survey and Survey Analysis.

2.1 PublishSurvey

2.1.1 Start Survey

After clicking “PublishSurvey” on the home page, you will be redirected to “PublishScreen”. Then, please click “Start Survey”.

2.1.2 Fillin Form

Next, you should enter your name, date, role, contact number and upload the .xlsx file you prepared in step 1.2 by clicking “Attach file”. After you filled all fields, click “Create” at bottom right corner. Please check your outlook “Sent Items” after 5 minutes for verification.
